SOURCE

C.B. Faber      This farm house is located on route  
Present      #72 at the east entrance to the village  
Owner      of Genoa.

It was erected and owned by Mr. Perkins, -  
the east wing in 1852, and the two story  
west section in 1855.

The floor joists in the old section are  
of round timbers and mortised into the  
girders. The basement walls are of lime  
stone.

The building and land was sold by Mr.  
Perkins to a Mr. Montgomery who sold it to  
the present owner, Mr. C.B. Faber in 1917.

The south porch and the north kitchen  
wing are of more recent construction.
